Families Making the Connection

School Lunch Takes Center Stage

*Menu subject to change.

Step right up to celebrate National School Lunch Week October 12-16! The #NSLW2026 theme is "Cafeteria Circus", which offers an opportunity to both highlight how nutrition should take center stage for students and recognize our talented School Nutrition professionals who keep the show going each day with school lunch. Students can explore a world of flavors and foods under the big top in their school café to help them succeed in and out of the classroom.

School lunch offers students choices of whole grains, fruits, vegetables, lean proteins, and milk to fuel their day. Students who eat school meals have more focus in class and better test scores.

During NSLW, School Nutrition professionals, school staff and students will find ways to celebrate with their schools and districts through special menus, events, activities, and more. The 2026 NSLW theme allows schools to have fun, be creative, and highlight school meals and their local School Nutrition Programs.

For #NSLW2026 and all month, let's recognize our amazing, dedicated #NCSchoolNutritionHeroes for providing appealing, nutritious meals with a kind word, thank you note, social media post, etc. For more info about school meals and NSLW, go to www.schoolnutrition.org.
